

## **ABK Footprints Preschool FAQ's**

### **1. What age can my child start in Preschool?**

We enroll children in our preschool program starting at age 3 up until age 5. (Students need to be able to use the bathroom independently.)

### **2. Can I enroll my child in Preschool when he turns three, even if it is not at the beginning of the school year?**

ABK has open enrollment though out the school year. As soon as the child is 3 years of age and can use the bathroom independently they can enroll into our preschool.

### **3. How often should my child attend classes?**

Children have the option of attending preschool in the morning or afternoon session, 2-5 days a week. Our morning class times are from 8-11 and the afternoon class times are from 12-3. (Lunch hour can be added on to either morning or afternoon class for an additional fee.)

### **4. If my child misses a class can they make it up?**

In order to maintain the student to teacher ratio, we do not offer make up classes.

### **5. What does the curriculum consist of?**

We offer a variety of developmentally appropriate activities. These consist of Zoophonics, intro to Spanish and Sign Language, dramatic play, arts and crafts, cooking, music, story time and much more. A monthly schedule/calendar is available detailing the upcoming activities and themes.

### **6. What is the sick policy?**

Students need to be symptom free of a fever, severe cough, diarrhea, vomiting, and/or severe rashes for **24 hours** before they can return to school.
